CAPABILITY STATEMENT | 2014

Environmental Remediation | Heavy Site-Civil Construction | Facilities & Infrastructure | Operations & Maintenance

TANTARA Corporation provides heavy civil-site construction, excavation, demolition and remediation services. In business since February 2000, the company has been awarded numerous contracts with the U.S. Department of Defense as well as work with the private sector. Although we are a small woman-owned 8(a) business, TANTARA's certified professionals support and execute projects of all sizes while maintaining critical levels of control over safety, quality, schedule and client relations to successfully deliver on-time / on-budget projects.

## PAST PERFORMANCE

- TANTARA was awarded a \$10M IDIQ Multiple Award Remedial Action Contract (MARAC) through the USACE New England District for environmental restoration at hazardous waste sites being addressed primarily through the EPA's Superfund Program and USACE's Formerly Used Defense Site Program.
- TANTARA was awarded its second IDIQ contract for Base Environmental, Sustainment, Restoration and Modernization (SRM) Support for (BEST) Contract (multi-state) from the USACE Mobile District. TANTARA completed \$7M worth of work at Cape Canaveral AFS and Patrick AFB in Florida.
- TANTARA was awarded the U. S. Navy's first women-owned set-aside Maintenance Construction Job Order Contract (MCJOC) for \$4M. The work is for site preparation and demolition services for the Navy's Mid-Atlantic region and includes numerous projects at the Portsmouth Naval Shipyard (PNSY).
- The USACE Philadelphia District awarded TANTARA a \$4M SATOC for Design-Build and Construction Contracts anywhere in the Philadelphia District. TANTARA has performed three task orders under this contract for river erosion and levee repairs.
- In 2013, a two-year, \$4M IDIQ roofing construction contract from the USAF was awarded as an 8(a) sole source to TANTARA for work at Hanscom AFB in Bedford, Massachusetts.
